On the Edge of a Dream

Deep Within Our Hearts

of a secret

dream

Special and unique

... to each

individual

Sometimes and

Can save that dream a

Her Person ...

and help it grow to fulfillment

Other Times the Dream

Known
Only
To the
Seeker

remains a solitary Pursuit.

But secret or shared?

Which should never

no matter what it might be
a Dream
is a
Potential

Be Discouraged

For each of us also carries

a light which can cause

within ourselves

the seed to grow and blossom

That same light I have

seen shine so clearly in you

SARAH

All things are Possible

I See Children As Kites

I see children as kites.

*You spend a lifetime trying to
get them off the ground.*

*You run with them until you're
both breathless.*

They crash, they hit the rooftop.

You patch and you comfort.

You adjust and you teach.

*You watch them lifted by the wind and
assure them that someday they'll fly.*

*Finally they are airborne, and they need
more string and you keep letting it out,*

*But with each twist of the ball of twine
there is a sadness that goes with the joy.*

*The kite becomes more distant and you
know that it won't be long before that*

*String will snap and the lifeline that holds
you together will no longer be the same.*

*Children, as kites, must be prepared to soar
as they are meant to soar.*

Free and alone to the greatest extent possible,

*And only then can we collectively say that
we have done our job.*

PRINCIPAL'S MESSAGE TO THE CLASS OF 2001

Congratulations to the members of the class of 2001! As you begin life after high school, please keep in mind some simple but important facts about living. Life is a gift to be lived to it's fullest each and every day. Consciously try to make each day the very best it can be and take no day for granted. Develop yourself mentally, physically, and spiritually. You each have tremendous potential in a variety of areas. Work to uncover, discover, and develop your abilities to help you become the best person you can be. Make good choices and then have fun. As Arthur George Russ Jr said "Yesterday is a canceled check, tomorrow is a promissory note, today is the only day you have."

I wish you all the best in your future. Go out into the world and make your families and us proud.

Sincerely,

Paul B. Reh

Friends are very special people accept each other with an unconditioned caring.

They **R**ecognize each other's talents and faults and acknowledge them without judgement.

They are **I**ncapable of turning away when times are tough and life's problems seem hard to bear.

Instead they **E**ncourage each other so they can enjoy the good times and find strength to endure the

bad times. They're **N**ever afraid to say what they feel and be honest without causing

Hurt or pain. They can **D**epend on each other because they have the kind

of trust that allows them to **S**hare the best and worst of their lives with laughter and without fear.

You are one of these special people and I'm glad you are my friend!

Dislikes: Arrogant people, homework but it has
to be done, crappy sports teams like the Dallas
Cowboys, Atlanta Braves, and New Jersey Devils
(for those who don't like what I don't think of
those teams sue me), people who are
dishonest, being bored with nothing to do
and bad tasting food.

Future Plans: First to work hard and graduate,
then from there probably join either the navy
or the air force and learn how to be successful
in life. Then go to college and major in whatever
field that I'll succeed in, then I'll find a nice
(high paying) job and live a very good life.

After a while you learn the subtle difference
between holding a hand and chaining a soul.
And you learn that love doesn't mean leaning
and company doesn't mean security.
And you begin to learn that kisses aren't
contracts and presents aren't promises.
And you begin to accept your defeats with
your head up and your eyes open, with the
grace of an adult, not the grief of a child.
And you learn to build all your roads today
because tomorrow's ground is too uncertain
for plans.

After a while you learn that even sunshine
burns if you get too much.
So plant your own garden and decorate your
own soul, instead of waiting for someone to
bring you flowers.
And you learn that you can really endure...
That you really are strong.
And you really do have worth.

I, Alicia Tejera, leave Ramon and Alex 5 more wonderful years at Chester High, Mrs. Mig the challenge of finding a new base as good as me, Kalilah no one to walk home with, and Mrs. Brown someone else to charge payback at the end of the year.

I, Elizabeth Peterson, leave my brother James and my sister Amanda all of my knowledge, Mr. Bandura all of my unanswered questions, and all the teachers I had over the years the best of luck in the future.

I, Andrew Kolb, leave Kyle Kloorfain my soccer skills for the next 2 years of high school, Jimmy the bench warming team, Tom the fastest car in school, and Joe, Peter, Chris snowboarding on weekends.

I Ken Berger, leave Mr. Brittingham and Mr. Saddlemire someone else to start fights between them. I also leave Ms. Ward someone else to do all of her bidding.

I, Christina Malec, leave another smiling face for Mrs. Tetz, a new sidekick for Krease, a sweeper for Winslow, and 6 long years for my adorable little brother, David. Enjoy!!!

I, Jenna Kessler, leave Danielle Englehart all my babysitting skills. Michelle Kula all N'SYNC CD's ever made, and Stephanie Dell'Era all Kurt Angle tapes ever made with him crying in it.

I'll never forget these days
 They've been the best and worst of my life

Both things I regret doing
 And things that will always seem right

It's the days that we are reminded of by songs
 And while sitting in our caps and gowns, we can't believe our classes took so long.

We made friends that we
 will never see again
 and friends that we will
 keep until the very end.

We've all had our share of tears
 Our pride on stage and on the field
 When we overcame our fears

Soon we will be leaving this behind, personalized lockers
 and all
 Yet the memories made here will live on through our
 winters, springs, summers, and falls.

On The Edge Of A Dream Prom 2000!!

Prom Colors: Blue & Silver
Prom Song: Graduation [Friends Forever]

So we talked all night about the rest of our lives
Where we're gonna be when we turn 25
I keep thinking times will never change
Keep on thinking things will always be the same
But when we leave this year we won't be coming back
No more hanging out cause we're on a different track
And if you got something that you need to say
You better say it right now
cause you don't have another day
cause we're moving on and we can't slow down
These memories are playing like a film without sound

I keep thinking of that night in June
I didn't know much of love but it came too soon
And there was me and you and we got real blue
We'd stay at home talking on the telephone
We'd get so excited and we'd get so scared
Laughing at ourselves thinking life's not fair
And this is how it feels...

As we go on, we remember
All the times we had together
And as our lives change
Come whatever,
We will still be friends forever

So if we get the big jobs and we make the big money
When we look back at now will our jokes still be funny?
Will we still remember everything we learned in school
Still be trying to break every single rule?
Will little bratty Bobby be the stockbroker man?
Will Heather find a job that won't interfere with her tan?
I keep-keep thinking that it's not goodbye
Keep on thinking it's our time to fly
And this is how it feels...

As we go on, we remember
All the times we had together
And as our lives change
Come whatever,
We will still be friends forever

Will we think about tomorrow like we think about now?
Can we survive it out there?
Can we make it somehow?
I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us around
Will these memories fade when I leave this town?
I keep-keep thinking that it's not goodbye
Keep on thinking that it's our time to fly

As we go on, we remember
All the times we had together
And as our lives change
Come whatever,
We will still be friends forever.

Angst for the memories

All through school I tried to belong
Now as we all leave and say so long
As I look back at all the years
and my eyes fill with tears
All I ever wanted was to
So I tried to keep up with
But still you shut me out
You said I was uncool
Angst for the memories
If you wonder why I'm somad
It's all the happiness I should have had
But then I found punk rock
And told you to back up before I nock you
off your block
So when I say thanks I'm
sincere it's that angst that
turned me to who you
see and hear
Angst for the
memories

I enter this building
where learning takes place
As I walk down the hall I see many a face
People are happy all full of chatter
Everyone pretends that nothing else matters
Behind the door
Are people learning
The wheels in their heades are slowly turning
In this place our teen lives go by
We learn lifes little lessons and are
no longer shy In school
We cry and bond
together We will always be friends
and cherish our memories forever

Go placidly amid the noise and haste, and remember what peace there may be in silence. ☺ **As far as possible without surrender be on good terms with all persons.** Speak your truth quietly and clearly; AND LISTEN TO OTHERS, *even the dull and ignorant;* THEY TOO HAVE THEIR STORY. **Avoid loud and aggressive persons,** they are vexations to the spirit. **If you compare yourself with others,** you may become vain and bitter; FOR ALWAYS THERE WILL BE GREATER AND LESSER PERSONS THAN YOURSELF. **Enjoy your achievements as well as your plans.** ☺ *Keep interested in your own career,* HOWEVER HUMBLE: it is a real possession in the changing fortunes of time. ☺ Exercise caution in your business affairs; *for the world is full of trickery.* but let this not blind you to what virtue there is; *many persons strive for high ideals;* **and everywhere life is full of heroism.** BE YOURSELF. Especially, do not feign affection. Neither be cynical about love; **for in the face of all aridity and disenchantment it is perennial as the grass.** TAKE KINDLY THE COUNSEL OF THE YEARS, *gracefully surrendering the things of youth.* Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. ☺ **Many fears are born of fatigue and loneliness.** BEYOND A WHOLESOME DISCIPLINE, be gentle with yourself. YOU ARE A CHILD OF THE UNIVERSE, no less than the trees and the stars; **YOU HAVE A RIGHT TO BE HERE.** And whether or not it is clear to you, no doubt the universe is unfolding as it should. THEREFORE, BE AT PEACE WITH GOD, *whatever you conceive Him to be,* and whatever your labors and aspirations, *in the noisy confusion of life keep peace with your soul.* With all its sham, DRUDGERY AND BROKEN DREAMS, **IT IS STILL A BEAUTIFUL WORLD.** Be careful.

Strive to be happy

Don't Quit

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but have to sigh,
When care is pressing you down a bit,
Rest if you must, but don't you quit.

Life is strange with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about,
When he might have won had he stuck it out;
Don't give up though the pace seems slow,
You may succeed with another blow.

Success is failure turned inside out,
The silver tint of the clouds of doubt,
And you can never tell how close you are,
It may be near when it seems so far;
So stick to the fight when you're hardest hit,
That you must not quit!

Love,
Mommy & David

To Our Darling Becky

When you were born 18 years ago you made the world a better place for us to be. You have no idea how much we learned from your example. we learned to have enthusiasm and excitement for each new task we undertake. We learned what it is to really wonder about life and all of our surroundings, we learned to be happy in the simplest of settings. we learned to welcome each new day as it it were a gift. But most of all we learned what the true meaning of love is, by knowing you. We love you and are proud to have you as our own.

Love, Mommy, Daddy, Michael, Sassy, Ginger, Pumpkin and Monster
